# Agraria Balsam

aera™

 SECAIRDESIGN

Ground yourself in the here and now!

Soothing and natural, this earthy fragrance evokes the protective tranquility of the giant cedars in the California Redwood Forest. Deep woody aromas mingle with comforting notes of sweet balsam, while hints of French sage and freesia add luminosity.

Moods | Calm, Relaxed

Scent Type | Woody

Essential oils | Sweet Balsam, Cedar & Redwood

# Poetry

As smooth and sensual as suede. Woody notes of eucalyptus, vetiver, and guaiac awaken an air of mystery.

“Inspired by the smell of ink on parchment, this Poetry fragrance is simple yet unique. Beautiful calligraphy swirls across the page on notes of precious woods and alluring incense. The mysterious world of the poet beckons through exotic rich cedarwood and saffron. Patchouli adds intrigue as the quill continues to move across the paper.”

# Citrus and Sage

The fresh zest of ripe Italian lemons and Persian limes harmoniously blend with cooling clary sage and a touch of verbena to energize your home with sparkling freshness.

aera™

 **SECAIRDESIGN**

“The Aera diffuser is rare in its ability to capture and respect the fresh zest of ripe citrus fruit. In this scent, real Italian and Florida lemons join Persian limes to dance in harmony with elegant sage and a touch of verbena. A shot of good mood if you wish”

# Lavender and Bergamot

A peaceful lavender field soothes the soul. Hints of bright mandarin and bergamot complete the refreshing yet serene feeling.

“We all carry powerful memories associated with lavender, which is why this scent seems to caress and reassure us all so deeply. Alongside this softness, a lavender sachet that you can almost sense crunching beneath your fingers.”

# Linen and Lemon

A breath of fresh air full of positive vibes. Clean laundry and citrus notes of lemon and sweet orange are softened with watery notes and lily of the valley.

“I mixed in bright sunshine and sweet spring grasses to truly capture the feeling of hanging your laundry outside to dry.”

# Mint and Eucalyptus

The flourish of a summer herb garden lifts spirits. Fresh mint garnishes bright citrus fruits while eucalyptus exhales of freshness and cleanliness.

 **SECAIRDESIGN**

“This fragrance captures the new, fresh feeling I have when I am in my garden. The aromatic herbs and crunchy green leaves are balanced out by the lively, youthful florals that are starting to bloom.”
